FOREWORD

To all my cattlemen friends:

Having known and watched the development of the Circle L Ranch herd from its earliest beginning, I would like to say a few words about this wonderful group of cattle.

The prolificacy of this herd has always been a marvel to me. Never in my forty years in the cattle business have I known a more prolific herd. Every time I visit the herd there are many new calves and always they are vigorous and good doers. The cows are heavy milkers and barren cows and non-breeders are unheard of. In spite of one of the driest summers on record the cattle are in ideal breeding condition and yet they are never pampered. You will find good heads, weight for age and thick, natural fleshing. This herd has been developed in the last ten years under average conditions that any farmer can provide. In 1954 a show herd was taken out to five State and district fairs and with very little fitting and in competition with seasoned campaigners gave a very good account of itself.

The breeding of this herd will be recognized as of high caliber by anyone acquainted with Shorthorn pedigrees. The first bull used was Braebourne Leader by Brae Lodge Leader out of a double granddaughter of Edellyn Perfection by Browndale Count. He left a grand group of brood cows in the herd. Next came Kelburn Marquis by Mount Banker out of a cow that carried a double cross of Naemoor Jasper. He sired many good bulls and females . . . several of his daughters will be in this sale. Then came Glenburn Parade, a grandson of Naemoor Marshall out of a Ransom bred cow.

This bull has left a grand group of progeny in the herd. His calves are noted for their good heads, thick natural fleshing, weight for age and depth of body. A home bred son of this bull named Circle L Parader has also been used and some of the calves selling at foot are by him. You will like them. The junior herd bull is Fair Acres Perfect by Baldowrie Watchman by Glastullich Smasher out of a Capelton Clarion cow. Many of the females sell bred to this bull and some of the calves at foot are by him. His first calves look very promising.

Take a day off and come to the Circle L Ranch sale. You will be pleasantly surprised to see a wonderful herd of cattle developed under ordinary conditions.

Martin Luinstra.

It is from my personal knowledge of the Circle L herd that I readily agree with the statements made by Martin Luinstra about the Circle L herd. All I can add is COME TO THE SALE, SEE THESE CATTLE, AND YOU WILL WANT TO OWN SOME OF THEM.

ALBERT J. HAMANN, Sale Manager.

CIRCLE L PARADER—A great headed, deep, thick, well balanced, level lined and heavy boned bull that made a great show record in 1954 and has been used extensively in this herd. He was first prize two-year-old at the 1954 Minnesota State Fair and reserve senior champion in the 1954 South Dakota state, Sioux Empire, and Clay County fairs. His first calves are outstanding. Several were in our 1955 show herd. One bull, 3 females and 3 calves at foot are by him, and 17 females carry his service. Only 3 years old, here is a real proven herd sire for someone. If we were not reducing our herd and retaining most of his half-sisters, he would not be for sale.
